2. Email help@akebsw.org
3. Follow “AKEB Southwest” on Instagram, Facebook, and/or Twitter
4. Follow the hashtag #AKEBSWSecondary

Apollo 12

Sign up for information on monthly sessions that are relevant to your application journey over the next year

Receive personalized support from a mentor, including essay feedback!

Be on the lookout for registration, opens in February! Links will be posted on AKEB social media and website.

<i>“What do I want to be when I grow up?”</i>	<i>“What problems do I want to solve?”</i>
<ul style="list-style-type: none">● doctor● lawyer	<ul style="list-style-type: none">● poverty● environmental damage● inefficient healthcare● lack of access to technology

A Variety of Careers

- ❑ **Advocates** (attorneys/judges, community organizers, social justice supporters)
- ❑ **Artists and Designers** (artists, architects, authors, other content producers)
- ❑ **Educators** (teachers/professors, academic counselors, staff)
- ❑ **Government and Non-Profit Workers** (federal/local employees, civic leaders)
- ❑ **Healthcare Practitioners** (physicians, dentists, nurses, psychologists, other providers)
- ❑ **Professionals** (those in areas such as corporate social responsibility, climate change, etc.)
- ❑ **Technological innovation** to address societal challenges

Career Panel

Let's meet people who help solve problems in society. This is an opportunity to explore careers that allow you to meaningfully give back to the community.

**Reflection post-Panel:
Name one idea you heard
during the panel that stuck
out to you**

What Questions Do YOU Have?

- ❑ Why did you choose the career that you did?
- ❑ How has your role allowed you to serve your community or those in need?
- ❑ How do you gauge success or impact for those who you serve in your role?
- ❑ How is your career focus informed by the Ismaili faith and community?
- ❑ What types of challenges do you experience in your role in delivering value and impact to the communities you serve?
- ❑ Where do you see the greatest need to serve the community/humanity? What are the challenges associated with this?

Thank you Panelists!
